

The Magic Space

...where spells are cast!

The Magic Space offers a diverse set of courses in magical entertainment targeted at various interest groups/levels, enabling you to choose your personal path to learn and advance in the world of magic. Whether you want to learn magic out of interest, make it a hobby, be an amateur performer, or pursue it as a profession, we are fully equipped to help you realise your dreams.

The Magic Space initiatives are powered by a strong network of top professional magicians and entertainers from all over India and abroad, which makes our faculty roster resemble a *who's who* list of the world of magic!

Faculty Profile

Resident Faculty:

Suman Jadugar is a familiar face not only in the world of magic, but also in the world of Kannada tele-series and films. Having been entertaining audiences worldwide with his magic for over a decade, Suman has the unique honour of representing India at the World Championships of Magic (FISM) as a featured performer. An acknowledged master of the two classic effects of magic (Multiplying Balls and the Linking Rings), Suman is also exceptional in entertaining with close-up magic.

Visiting Faculty:

The Magic Space is proud to have the support of some of the biggest names from the world of magical entertainment as permanent visiting and visiting faculty for the professional and master magician courses that are held regularly here.

M P Hashim, Prahlad Acharya, Uday Jadugar, Kudroli Ganesh, Mysto Pinto, Magician Yona, and Cardecian Sekhar are only a few of the numerous prominent permanent visiting faculty that grace The Magic Space. In addition to the permanent visiting faculty, a large number of the top-performers of the country and abroad visit The Magic Space regularly to conduct special courses and sessions to magicians and magic lovers.

Courses in Magic

The Magic Space has on offer a myriad of courses hand-crafted to best-suit the diverse interest levels that exist in the world of magic.
